

## Unit 12, pp. 42-46

1

- 1 In order to avoid or reduce accidents.
- 2 The Health and Safety at Work Act 1974
- 3 It defines general duties of employers, employees, suppliers and people who manage and maintain work premises.
- 4 They have to ensure the health and safety at work of all the employees, visitors, the general public and clients. They have to ensure the absence of risk when handling or storing items and substances, as well as provide adequate facilities. They also have to provide employees with proper instructions and training in case of accidents.
- 5 So that they will be able to cope with any problem that may occur at work.
- 6 They should always behave responsibly at work and take care of themselves and other people who may be affected by their actions.
